

# **Pupil Acceptable Use of Technology Policy Agreements**

## **Early Years and Key Stage 1**

### **The Agreement**

This Agreement is intended to help our younger pupils understand:

- How to stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- That they must use school systems in a responsible way, to ensure that there is no risk to their own safety or to the safety and security of the systems and other users.

### **This is how we stay safe when we use computers at school and at home:**

- I will ask an adult if I want to use the computers / devices and will only use it when they are with me;
- I will only use activities that an adult has told or allowed me to use;
- I will keep information about me safe;
- I will not share my password;
- I will be kind to others online when I am sending messages;
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong;
- I will tell an adult if I see something that upsets me on the screen or if I am worried;
- I know that if I break these rules I might not be allowed to use the computers / devices;

**When I am learning from home:**

- I will ask an adult if I want to use a computer or device;
- I will only do activities online that a teacher or suitable adult has told me or allowed me to use;
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong;
- I will tell a teacher or adult if I see something that upsets me on the screen;
