

Year 1 Term 1

A Toy Story

In History, we will be learning all about toys from the past. We will be exploring the similarities and differences between toys that our grandparents would have had with our toys.

In RE, we will be learning all about the creation story. We will find out what Christians believe, who they pray to and where they pray. We will also visit our local church to find out more about genesis.

In Science we will be learning all about different materials and identifying which are best for different jobs.

English

This term we are looking at the books The Naughty Bus and I Want My Hat Back. We will be learning about sentence structure and when to use capital letters.

Daily Supported Reader

Daily Supported Reader is reading programme in which children learn to read independently at the level that they are working on. This term, we will be learning how to problem solve when we are stuck on words.

Maths

This term we will be doing lots of learning around number. We will looking at place value within 10 and 20, understanding how numbers are formed and spotting patterns in number.

Online safety

This term we will be learning how to stay safe online.

Remember – Keep your passwords safe!

Wellbeing

We will be working to understand how our brain's work and how we can control our emotions and keep ourselves safe.

Support at home

Please see below activities that will support your child at home in their learning.

- **Daily reading** - Children will bring home their reading book, please listen to them read and make notes in their reading journal.
- **Counting**- Please take opportunities to count objects up to 20.
