

Year 1 Term 2

Armstrong class
Columbus Class

A Toy Story

In Geography, we will be learning that we live in the United Kingdom and will find out more about the 4 countries that make it up. We will be able to identify some physical and human features.

In PE we will be learning gymnastic skills, we learn how to control our bodies when rolling, jumping and travelling.

In RE we will learning about Judaism and finding out who is Jewish and how they live.

English

This term we are looking at the books Stanley's Stick and the Odd Egg. We will be learning about sentence structure and when to use capital letters.

Daily Supported Reader

Daily Supported Reader is reading programme in which children learn to read independently at the level that they are working on. This term, we will learn how pictures can help us to understand meaning.

Maths

This term we will begin to learn how to add and subtract numbers within 20. We will learn how to use a variety of mathematical resources to help us know our number bonds to 10 so that we can recall these quickly.

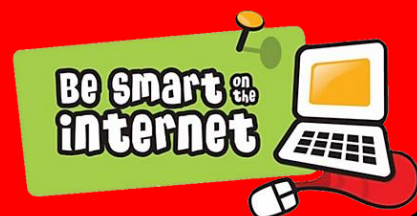

Online safety

We will continue to understand how to keep ourselves safe on the internet.

Remember- Don't give out your personal information!

Wellbeing

We will be learning about relationships and identifying who is special to us.

Support at home

Please see below activities that will support your child at home in their learning.

- Daily reading** - Children will bring home their reading book, please listen to them read and make notes in their reading journal.
- Phonics Play**- your child can use these games to support them with phonics.
