Dressing up is a big part of World Book Day celebrations, and is something that children and families particularly enjoy. We are inviting children to dress up this World Book Day as it's an exciting way for children to get book recommendations from each other.

We encourage you to use things you already have at home to make creative costumes that don't cost much at all. The book choice is key – even if it's just a prop or a clue, all you need to do is make sure your child is recommending something to read with their costume
