

Welcome Note

At King Offa, we value the partnership we have with our parents community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin will share key information and updates related to our school each week, to help keep our families up-to-date

Science Week

Science Week was a huge success across the school with children enjoying asking questions and finding answers. Year 6 investigated lunar rovers, Year 5 found out how to age a shark, Year 4 found out about ecosystems and Year 3 tested wonky fruit to see whether they could taste the difference. Foundation stage were excited to compare animals while in key stage one, Year 1 tested paper flyers and year 2 tested materials to see which would make the best handkerchief.

Save the Date

Date	Event
9th–20th March	Living Eggs EYFS
Tuesday 17th March	Class Photos
Tuesday 17th March	Sing Inspiration – Choir
Wednesday 18th March	Year 2 Drusilla Trip
Monday 23rd March	Rock Steady Spring Concert
Monday 23rd March	Year 2 Parent Workshop
Wednesday 25th March	Great Athletes
Thursday 26th March	Hastings Music Festival – Year 5
Friday 27th March	DOSE Colour Run
Thursday 16th April	EYFS Vision Screening & National Child Measurement Programme

Parents evening

Tuesday 24th March - All Years
Wednesday 25th March - Reception (EYFS) and Y2 Nightingale
Thursday 26th March - Years 1 to 6 (excluding Nightingale)

Booking available this evening
 via Arbor

Malala class learned many interesting facts about sharks, including how scientists can estimate their age by measuring their length. We then tried a similar activity in class by using our dates of birth and measuring our heights. We had great fun measuring each other and creating our own graphs to compare the results. We discovered that because our ages are so close together, the relationship between height and age did not work in the same way as it does with sharks. However, we could see that it might work better when there are larger differences in ages.

WEEKLY BULLETIN

Year 5 - Bedgebury

We are incredibly proud of our Year 5 children for the way they challenged themselves throughout the Go Ape course. Every single one of them showed courage, determination, and a fantastic willingness to step outside their comfort zone. It was wonderful to see them supporting one another, cheering their classmates on, and celebrating each other's achievements with such enthusiasm.

Their behaviour was impeccable from start to finish. They listened carefully, followed instructions responsibly, and handled every part of the day with maturity and respect. They represented our school beautifully, and we truly couldn't have asked for more.

We would also like to say a huge thank you to the parents who came along to help. Your support, encouragement, and extra pairs of hands made a real difference and helped the whole day run smoothly. We are incredibly grateful for the time and care you gave.

Overall, it was an amazing day filled with teamwork, laughter, and memorable moments. We are so proud of every single child and thankful to everyone who helped make the trip such a success.

		LUNCHTIME				
		MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
FOOD FESTIVAL WEEK 2 Refreshing Winter 2025/26 PEANUTS, JAMUNS, JOKES, ICE CREAMS, HOT SALES, JAVAS, SOFT DRINKS, RAJAS, BANANAS, BUNNIES, ICECREAM	MAIN EVENT	Vegetable Lasagne	Creamy Chicken & Sweetcorn Pasta	Roast Chicken, Skin on Roasties and Gravy	Mild Chilli Con Carne with Rice	Golden Fish Fingers and Chips
