Drinks in School...

As the weather is getting warmer, we would like all children to bring in a named (reusable) bottle of water for the school day. Just a reminder that no fizzy drinks should be brought in, and plain water (rather than juice) is the recommended drink for children. We would like all children to wear a hat for sunny days.

Please apply sun cream to your child(ren) before school on sunny days (there are some great one-application sunscreens for this).
