

## Welcome Note

At King Offa, we value the partnership we have with our parents community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin will share key information and updates related to our school each week, to help keep our families up-to-date

## Keeping Cool with Kindness! 🍷☀️

A huge thank you to one of our generous parents for kindly donating 200 ice pops, with the school also contributing to make sure there were plenty to go around!

The children absolutely loved the refreshing treat, and it was wonderful to see so many smiling faces as they enjoyed them and cooled down in the warm weather.

## Drinks in School...

As the weather is getting warmer, we would like all children to bring in a named (reusable) **bottle of water** for the school day. Just a reminder that no fizzy drinks should be brought in, and plain water (rather than juice) is the recommended drink for children. We would like all children to wear a hat for sunny days.

Please apply sun cream to your child(ren) before school on sunny days (there are some great one-application sunscreens for this).
